

City of Victoria

Endowment Fund
PO Box 87
Victoria, KS 67671

Dear Business Owner,

The City of Victoria is excited to share that we are moving forward with plans to add a new splash pad to our community pool and park area. This project will provide a safe, family-friendly play space for children of all ages and will help revitalize one of our most important gathering spots. By offering a fun and accessible option for families, the splash pad will strengthen community connections and make Victoria an even more welcoming place to live and visit.

We are reaching out to local businesses like yours because community projects of this kind are only possible when we all work together. Your support will not only help us bring this project to life but will also demonstrate your commitment to the families and future of Victoria. Contributions may be recognized publicly through project updates, signage, and community events, ensuring your business is seen as a valued partner in creating a lasting impact.

We invite you to consider making a donation to help us reach our funding goal. Gifts of any size are deeply appreciated and will go directly toward the construction and long-term success of the splash pad. Please make any donations out to the City of Victoria Endowment Fund.

If you would like to contribute or have questions, please contact Jamie Sterling, City Clerk or Mayor John Schulte at 785-735-2259 or victoria@ruraltel.net.

Thank you for considering this opportunity to support a project that will bring joy and benefit our entire community.

With gratitude,
The City of Victoria
