The City of Victoria is continuing to move forward with our plans for a new splash pad. We believe this will greatly enhance the appeal of Victoria to both current residents and anyone considering moving into town. All of the plans for the pad are still the same as the previous mailing, but a few potential donors had some questions that we thought should be answered and made clear, in case you had the same question.

A few respondents indicated that they would like some more information about how their donations would be acknowledged. For starters, we are planning to list all donors on our website. We are also planning on having a plaque engraved with all donors of \$500 or more in the park. Along those lines, we have also created sponsorship levels to assist people in deciding on how much to donate.

Sponsorship Levels:

Knight: \$10,000+	Maroon: \$1,000+
Squire: \$5,000+	Gold: \$500+
Page: 2,500+	White: \$250+

Donations of any amount are welcome and will continue to help build up funding for the splash pad.

If you have already contributed to the splash pad and would like to “reach the next level,” your previous donation will be aggregated with any new donations and your total contributions will dictate which level you will attain.

Other people have inquired about what the splash pad will look like. Above is a picture we have been given by the splash pad designer to help give an idea of what the pad could look like. This isn't a final draft, but it should give you some idea of what will be coming to Victoria in the near future.

The raffle for the splash pad is scheduled for February 16 at 5:00. Items for the raffle can be dropped off at City Hall, or you can inform staff of your raffle donation by calling City Hall. Items for the raffle must be received by December 29, 2025. A listing of raffle items will be mailed to all residents in early January along with a sheet of raffle tickets. Extra tickets will be available at City Hall or can be printed from the City website, www.victoriaks.com.

If you have questions about the splash pad or the City Endowment Fund, please contact Jamie Sterling, City Clerk or Mayor John Schulte at 785 735-2259 or victoria@ruraltel.net. Thank you.
